

Black Jack

Big Ass Fans

Meet Black Jack®, the ultimate indoor/outdoor fan designed for versatility and efficiency. With a 6.5-ft (2-m) frame to fit through standard doors, rugged rubber wheels for any terrain, and wet-rated for easy wash-downs, Black Jack® is perfect for crowded spaces like auto shops, fitness centers, and covered outdoor wedding venues. Experience its whisper-quiet direct-drive motor generating airflow spanning 120 feet, drawing only 7.5 amps at top speed. Pre-assembled for immediate use, this fan brings convenience and power to any environment.

Key Features

- ▶ Six aluminum airfoils with winglets in an OSHA-compliant cage
- ▶ Powerful airflow provides coverage up to 120 feet (37 meters) away
- ▶ Quiet, efficient EC motor with variable speed control
- ▶ Perfectly sized to fit through standard interior doorways
- ▶ Maneuvers indoors or out with durable rubber wheels and handles
- ▶ Arrives pre-assembled and ready for operation
